***Re: Application 2009/0075/F for 3No. Wind Turbines at Brackagh Quarry,***  
***29 Disert Road, Draperstown***

I strongly object to the siting of 3 Wind Turbines at the above location.

This area around Lough Patrick is steeped in history and archaeology and is a sacred pilgrimage site.

I would encourage you to take these points into consideration when making any decisions which will affect its future.

Yours sincerely,
